CO. WICKLOW,
☎ (01) 286 3362

Sea~Craft offers a one day course leading to the award of the RYA MCA Short Range Certificate of competence. This course, which covers the use of both VHF and VHF DSC, has been specifically designed to be practical, achievable and accessible.

Learning how to use a VHF DSC radio correctly is not difficult; this course will give you the knowledge and confidence to operate your radio effectively for safety and personal use.

The Short Range Certificate, issued by the RYA on behalf of the UK's Maritime and Coastguard Agency, is fully recognised by the Irish Sailing Association and most international maritime authorities and organisations.

The certificate is issued within about two weeks of course completion.

The *Sea~Craft* course tutor carries out the examination through continuous assessment during the course with a final short written paper and practical test at the end. There is no outside examiner.

- Course and exam in just one day!
- Certificate includes DSC!
- Certificate issued within two weeks!
- Only 12 candidates per class!
- No external examiner! Assessment and test by *Sea~Craft* course tutor
- Comprehensive dedicated course notes!
- No computer simulators! A real VHF/DSC radio for each course participant!
